

2025 WMPF Membership

Please remember to start or renew your WMPF membership for 2025!

Simply **complete the attached form** and return with a voucher or check, made payable to “Westchester Municipal Planning Federation”. The single annual membership fee is \$300 for municipalities and firms and \$100 for not-for-profits and individual practitioners. For municipalities that require an invoice to process the membership fee, an invoice is attached for your convenience.

The membership fee entitles qualified individuals* in your organization to attend WMPF training programs free of charge – including, but not limited to, the annual Land Use Training Institute and planning and zoning seminars. **Municipalities may approve attendance at these programs as satisfying the New York State annual requirement for four hours of training for Planning and Zoning Board members.** Member municipalities will also be invited to nominate projects and citizen planners for WMPF’s annual planning awards.

We encourage land use professionals, municipal staff, elected officials and zoning, planning, architecture, historic preservation, and environmental board members to **visit our website** to access land use planning resources including videos of recorded training sessions that can be watched for credit towards the NYS required continuing education for Municipal Planning and Zoning officials. Please **sign up to receive emails** about future WMPF events and encourage others in your organization to do so as well.

Thank you for your ongoing support of the Westchester Municipal Planning Federation.

Sincerely,

A handwritten signature in blue ink, which appears to read 'Linda B. Whitehead', is positioned above the printed name.

Linda B. Whitehead
President, WMPF

**Municipal membership applies to elected officials, board members and municipal staff. Not-for-profit membership applies to the board members staff. Firm membership applies to all staff members; individual membership applies only to the named individual.*
